4.

Guy McConnell, Senate Appropriations Committee staff, called and asked if we would prepare for him a slightly modified version of one of the charts we had given him on the intelligence community so he could pass it on to Chairman McClellan. [redacted] of IC Staff, is working on this.

25X1A

McConnell also asked if we had any budget figures which could be passed on to Senator Cranston. I told him [redacted] was preparing a paper on this subject for him to send to the Chairman.

25X1

5.

[redacted] Talked further with Mr. Dennis Thomas, Executive Assistant to Senator J. Glenn Beall (R., Md.), about an Agency separation case. Thomas is still not satisfied with our position on this case and has asked me to raise several questions about it with the Director of Personnel.

STAT

6.

[redacted] Peter Teeley, Press Assistant to Senator Robert P. Griffin (R., Mich.), called to ask for any foreign "press clips" and AP/UPI news reports resulting from the Senator's recent trip to China with the U.S. congressional delegation. [redacted]

STATSPEC

I advised Teeley that we had received no foreign press items that mentioned the Senator's name and that it would be best to go directly to the wire services for their reports on the trip.

STAT

7.

[redacted] Picked up a copy of S. 2026, a bill to amend the Foreign Assistance Act of 1961 to limit funds in Southeast Asia, and the Case amendment on mercenaries from Mary McLaughlin, on the staff of Senate Foreign Relations Committee. The Committee passed this bill on Saturday, and we provided a copy of the bill and the amendment to [redacted] per his request.
